

# Don't Make Me Do It/Tempted

Summer Walker

I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it  
I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it (Don't do it, don't do it, no)  
No, no, no, no  
Don't make me do it, baby (Don't do it, baby)  
Don't do it, baby

The best thing a man can do is  
What he said he would and  
I can't say that you've been  
Anything less than consistent  
So tell me, what's the sudden change  
To make you want to rearrange my?  
All the love and trust I have for you  
Stop trying to play me crazy  
You know what's changed

I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it  
I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it (Don't make me do it, don't make me do it)  
No, no, no, no  
Don't make me do it, baby (Don't do it, baby)  
Don't do it, baby

I don't wanna have to do it to you  
Wanna keep you 'round as long as the sun burns  
Shame and pride to the side  
I need you, my heart  
Yours, oh yours  
What's the point of arguments and all that shit  
When you coming and I'm going?  
I don't wanna feel alone  
When I got someone at home

I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it  
I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it (Don't make me do it, don't make me do it)  
No, no, no, no  
Don't make me do it, baby (Don't do it, baby)  
Don't do it, baby

Baby  
Ain't nobody else gonna understand  
What's understood ain't got to be explained  
How come all this pleasure got to come with pain?  
Oh

I'll do it if I have to

I'll do it if I have to  
Oh, don't make me do it  
I'll do it if I have to  
I'll do it if I have to  
Oh, don't make me do it (Don't make me do it, don't make me do it)  
No, no, no, no  
Don't make me do it, baby (Don't make me do it, don't make me do it)  
Don't do it, baby  
Don't do it, baby

It's been a minute, baby  
It's been a long time  
You counting seconds, baby  
You know I've been counting mine  
I'm about to lose myself, I don't want nobody else  
So please don't tempt me

I'm debating back and forth  
Whether I'ma make that call  
Don't care about crashing out  
But I already called my mama  
Already done embarrassed me  
She swear we love the drama  
Please don't tempt me

I'm not afraid to let you know that I've been feigning  
Contemplating lying to my friends, you got me scheming  
Jesus, Lord  
Gotta call on you to keep me on my toes  
I'm standing strong  
But I don't know for how long

Hello  
Girl, stop playing before I come over there

I done told everybody that I'm done for real this time  
But it's hard when my body's battling against my mind  
Oh, life's too short to care what everyone thinks  
But I gotta still think about me  
Yes, no, maybe so, all I ask is please don't  
Baby, oh, don't, please don't  
Please don't, no, no, no, no, no  
Just please don't tempt me
