

# I Want To Come Home For Christmas

Summer Walker

I'd give anything to see  
A little, little Christmas tree  
And to hear, hear the laughter  
Of children playing in the snow  
And to kiss my baby, underneath the mistletoe

But I can't promise my eyes this sight  
Oh, unless they stop the fight, oh ah  
Cause I'm a prisoner of war  
Lying here to my self  
Oh, ah, Hoping my family is well, oh, ah, ah  
Just try to get us home  
In time for the Christmas tree

I wanna see snowflakes fall  
I-I-I wanna see Santa Claus  
Oh, I can't to hear jingle bells  
Oh, I can't to hear jingle bells  
'Cause I-I-I wanna see snowflakes fall  
I-I-I wanna see Santa Claus  
I, I wanna hear the jingle bells  
I wanna hear the jingle bells, yeah

But I'm a prisoner of war
