

# Insane

Summer Walker

Now what you in a rush for?  
What you trying to meet your maker, darling?  
Or you running out of time, huh?  
But time ain't even real  
You really need to chill  
It's all an illusion  
You getting mixed up in the fusion  
Whatever it is you trying to see  
You can sit down and just believe  
But I wouldn't ever be the same ol' thing  
How?  
But I can tell you straight  
And I ain't no game, baby (Oh)

God bless me  
God help me (Oh)  
I think I'm insane (Ah)  
God bless me  
God help me (Ooh)  
I think I'm insane (Ah)

Why you wanna play so bad?  
Why you wanna play so bad?  
Why you wanna play so bad?  
Why you wanna play so bad?  
'Cause you know it's real (Real)  
'Cause you know it's real  
You gotta get two times too fast to feel (To feel)  
'Cause you claim you see things (You claim you)  
When you on D-M-T  
But I see the same things before I go to sleep

God bless me  
God help me (Oh)  
I think I'm insane (Ah)  
God bless me  
God help me (Ooh)  
I think I'm insane (Ah)  
(Oh, oh, oh)

Why you wanna play so bad?  
Why you wanna play so bad?  
Why you wanna play so bad?  
Why you wanna play so bad?
