Just look at your behavior, and that's why she ashamed a ya, damn

Look at what you've become (Become)
Matter fact, what you've been (Been)
I was just blind
I was just so in it (In it)
I was just so committed (Committed)
Nah I don't regret it (Regret it)
I learned what love is once I

Let it go, let it go, let it go (Oh)
Let it go, 'cause you doin' too much, and you just won't let go
And I know it was you and you try to hold on to my attention
Won't you let it go
Let it go, let it go, let it go (Oh)
'Cause you doin' too much, and you trying too hard
Tryna get a reaction, and I am a child of God (Yeah)

And I know it was you and you try to hold on
