

## Mind Yo Mouth

Summer Walker

They say  
"Hush girl mind yo mouth  
You don't wanna harm his ego"  
No

They say  
"Hush girl mind yo mouth  
You don't wanna turn him off"

Well he might have to deal with it  
See I pay my own bills, get it  
Why I got to be so soft? Charmin

I find it  
Quite alarming  
'Cause I ain't ya  
Ain't ya momma  
Wanna be with me then you gon' get up off your bottom  
Uh

Wanna lay with me then you gon' be a real man  
Not a real nigga  
Mhm  
Thinking you so tough go throw some real hands not pull yo lil  
trigga  
Get mad and hang up so  
But I ain't never told you nothing wrong, no

They say  
"Hush girl mind yo mouth  
You don't want to harm his ego"  
No

They say  
"Hush girl mind yo mouth  
You don't want to turn him off"
