

No Love

Summer Walker

If I had you back (Back)
I would not did all that (That)
I would've played it just how you wanted to play it
You didn't yet see my worth, so you tried to play me
But I was so in love, -ove
That I just got a little bit too complicated

But if I had you back, all I'd wanna do is fuck (Fuck)
Get drunk (Get drunk)
Take drugs (Do them drugs, fuck love)
All I wanna do is fuck (Oh-oh)
Get drunk (Oh)
Hop planes
Or lust
It would be no loving you
It would be no loving you

If I did it all again
I would give like ten percent
You deserve like half of that
I'ma need my money back
I'm riding through your hood, you pissed me off again
Finna let new niggas come find me
Out there trippin' like I don't got that designer pussy
All I'm tryna see is your credit card
Swipe it all on me
Get me what I want
I don't need you, just CC me, just VV me
Just that dick when I call
No more feelings involved
I done seen all I need to
Funny how you say you 'bout us
You don't never pull up on me, put it on me, do me right
You the one that ruined us
Can't give, no
Can't give, no

Fuck, (Fuck)
Get drunk (Get drunk)
Take drugs (Do them drugs, fuck love)
All I wanna do is fuck (Oh-oh)
Get drunk (Oh)
Hop planes
Or lust
It would be no loving you
It would be no loving you

Come to find out you weren't even worth my time
Tried to act like I wasn't good enough in your eyes
Funny now that you calling, that you ringing my line
Why the hell is you ringing my line?
Oh I

Tell me, what's changed?
Is it my status, is it my fame?
Is it my pockets, is it my change?
Is it my pride, is it my body?

Back then "no show, no call" was your motto
Only hit me after the club and you off that bottle
Pussy so good you thought you hit the lotto

But if I had you back, all I'd wanna do is fuck (Fuck)
Get drunk (Get drunk)
Take drugs (Do them drugs, fuck love)
All I wanna do is fuck (Oh-oh)
Get drunk (Oh)
Hop planes
Or lust
It would be no loving you
It would be no loving you

Come to find out you weren't even worth my time
Try to act like I wasn't good enough in your eyes
Funny now that you calling, that you ringing my line
Why the hell is you ringing my line?
