Summer Walker

No

Yes to your mama and yes to your baby

Yes, we can be together but you gotta wait

First time I say "No" like I never did, yeah (Like I never said, yeah
)

You got it, babe, it's whatever you need even though what I do you wo
n't do for me

Drop you off, driving crazy at high speeds

Like you got somewhere to go, or you got somewhere to be

Ain't offer me no cash and bring it back on E (Ooh, that's that)

And then you got the nerve to ask what we got to eat (It-it-
it's crazy)

'Cause you want me slaving over a hot stove

You want me ironing and folding up your clothes

You want me to cater to you, never tell you "No"

You want me to lose myself just to keep your home

But the answer's no, no, no (No, no, no)

The answer is no, no, no (No, no, no-no)

You used to hearing yes, but I can't take no more

Get used to hearing this, 'cause the answer's no

No

Make you feel like every day's your day (But I'm present today)

But hold my tongue when I got stuff to say (Don't wanna piss you off)

Just wanna keep the peace up in the home

Tryna meet all your demands when you ain't even got no goals (It's cr
azy)

'Cause you want me slaving over a hot stove

You want me ironing and folding up your clothes

You want me to cater to you, never tell you no

You want me to lose myself just to keep your home (But I don't care)

But the answer's no, no, no (No, no, no)

The answer's no, no, no (No, no, no-no)

You used to hearing yes, but I can't take no more

Get used to hearing this 'cause the answer's no

Don't know what it's gonna take to get you out your own way

What else is left to say?

At this point I refuse to entertain

The same mistake

All I got for you is no, no, no (No, no, no)

The answer is no, no, no (No, no, no-no)

You used to hearing yes, but I can't take no more

Get used to hearing this 'cause the answer's no

No
