Prayed Up

Summer Walker

Don't remember the last time I sparked a blunt
Was one and done, I should try it
I don't remember the last time I had a drink
Let me think, uh, weeks on weeks
When's the last time I had some good lovin'?
Some good lovin', some good touchin'
I know I'm just feeling vulnerable
Maybe I'm tripping but I know, oh-oh, oh oh
I, hear them demons talking in my hear baby I-
I'm, tryna stay afloat but I'm drowning I-
I, run around with my own crew that I told you
Talking me, myself and I
Swear I'm losing my mind

I-I need to oh ooh, to stay prayed up, prayed up, prayed up
I need to stay prayed up
I need to oh ooh stay prayed up, yeah
Ow oh ooh

Hear 'em in my ear, hear 'em in my ear talkin'
I hear 'em in my ear, hear 'em in my ear talkin'
I hear 'em in my ear, hear 'em in my ear talkin'
But I just stay steady walking, on the right path
I don't know I might spazz but-
