

Set Up (2017)

Summer Walker

Yeah, yeah

Two-eighty-five
Going ninety in a ride that
I ain't too proud of
I'm just tryna make it on time
Tryna avoid that hundred-and-ten-dollar tip-out
Shout out to Ms. T, she stay lookin' out
Dumbass niggas got no money in the club why not?
Dumbass niggas in the club only got a dub and some ones

I'm just tryna
Make it out, out, out
Out, out, oh
But I know when I'm done
I'll get what I want, I'll get what I want
I'll be in my crib, I'll be riding in my Benz
Call it what you want
But I'm just tryna be set up

Set up
I'm just tryna be set up
Set up
I'm just tryna be set up
Set up
I'm just tryna be set up
Set up
Oh, oh

Huh, huh, huh, huh
Set up
Huh, huh, huh, huh
'Cause I'm just tryna be
Set up
Up
Set up
Oh, oh
