Settling

Summer Walker

I can't live with you
But I can't live without you
And my hand is on the trigger
Pull it out for you
Mmm

And I can't come to choose what I'm gon' do
And my heart sits quiet if it ain't you
And your love is so sweet
That I'd be a fool, so I guess I'm just settling
Hey, hey, hey, hey, hey

Guess I'm just settling
Ooh, ooh

What I'm gon' do
Why? Cryin' for you
Boy, for you
Hey, hey

What I'm gon' do
When I'm cryin'
Mourning
What I'm gon' do
Cryin' for you
Boy, for you
Hey, hey

What I'm gon' do
When I'm cryin'
Mourning
And I can't take it no more
You, you, you

Cryin'
Mourning
For you
Cryin'
Mourning
For you
