Throw It Away

Summer Walker

I don't mean to get outta place (Outta place)
Don't you see that look on my face (Disappointment)
Think I'd let this all go to waste (Go to waste)
Thought you had me safe

We reached a ceiling (Ceiling)
I had a feeling (Yes I did)
From the beginning (From the beginning)
Must be the ending

I been taking on all this baggage (I've been taking it all)
Adding on so much weight (Yeah)
Had me thinking that I was average (Thinking I was average)
When you really to blame

How you gonna throw it away (How)
How you gonna sit and act like it was nothin' (How)
How you gonna throw it away
How you gonna make it so damn hard to explain

How you gonna throw it away
And say my lovin' was not the same (Yeah)
How you gonna throw it away?
Throw it away
Throw it away

Actin' like this fame ain't nothing to you is you dumb?
Frontin' like you not, **** I'll be gone

'Cause right now I see you only 'bout yourself
(Keep the same energy), When I find somebody else

So, why (Why)
Why put up with this? Why did I even try?
You said you'd hold me down forever
But you lied to me, lied to me
You gotta be mental in the head

I been taking on all this baggage
Adding on so much weight (Yeah)
Had me thinking that I was average
When you really to blame

How you gonna throw it away (How)
How you gonna sit and act like it was nothin' (How)
How you gonna throw it away
How you gonna make it so damn hard to explain

How you gonna throw it away
And say my lovin' was not the same, yeah
How you gonna throw it away?
Throw it away
Throw it away
