

Unloyal

Summer Walker

I ain't taking your shit today, no
I ain't taking your shit tomorrow, no
We can do it my way, so
I ain't sticking, no
No, I ain't sticking 'round no more

'Cause you just wanna play with my heart and oh
I seen you with the girl at the party, oh
You think I'm just gon' stand on by
And watch you waste my time
Boy, I am way too fine
So, I'm out

I guess I'm unloyal, baby
I guess I'm untrue
I guess I'm unloyal, baby
Look, well, call it what you want

I guess I'm unloyal, baby
I guess I'm untrue
I guess I'm unloyal, baby
So, call me what you want

Thinking that I need you, boy, you funny
Got my own money
So, I'ma show you, I
You swear that I'll be lonely
I guess you don't know me
I guess you don't know

I said you could come and pick up your shit (No)
Actin' like you paying for shit (No)
Put your bow-wow durag
Outside in your doggie bag
Bitch, I am so done with that

Tell me, how a grown man so childish?
Always in Kevin Samuels' comments
You think I'm just gon' stand on by
And watch you waste my time
Boy, I am too damn fine, baby

Guess I'm unloyal, baby
Guess I'm untrue
Guess I'm unloyal, baby
Call it what you want

Guess I'm unloyal, baby
