Heard you really like designer shit  
Okay, okay, that's yo' taste baby, yeah, yeah  
Top down, in the Wraith  
Lean got me movin' so slow, feel like I'm in space  
I just bought me some attachments, put it on a Micro Drac'  
Slayworld, we ain't no OVO but we got the Drakes  
Physicals came in, man we just hit a play  
Bitch leave me alone, told you I needed a break  
Yeah, thought you a real nigga boy, but your chain is so fake

I was in the O last week and I just touched down in the H  
Flying state-to-state, blow some racks on a steak  
It ain't my birthday yet but I still got some cake  
How the fuck am I supposed to take a L with this mortherfuckin'  
K?

Two bitches and they drunk as hell tryna kick it with the Slay  
Bitch tryna come kick it but she can't know where I stay  
And I'm with Gavin , package on the way  
I don't know why the fuck I popped this perc, stuck like some t  
ape  
You ain't never seen me save a hoe, nigga no cape  
I'm with my apes, and they got some bananas on 'em  
Bitch act crazy, don't make me go bananas on you  
I can't go in public, they wanna put them cameras on me  
This bitch too ugly, but she got some mad sauna
