(Summrs, you're so fool of your self)

Shawty wanna fuck

She know I'm next up

Off the Xans, I'm stuck

Shawty tryna fuck

She cannot come fuck

She come top me up

I don't wanna fuck

I just want the neck

Diamonds run my neck, bitch

I love to flex

Counting up this check

With Autumn!, we breakin' necks

Shawty tryna fuck me 'cause I'm next

Autumn! and Summrs breakin' necks

Yeah, you know we countin' up these checks

Pull up in a motherfuckin' 'Vette

Pull up, hit a nigga with a TEC

Shawty wanna fuck me 'cause I'm next

Pull up in a Beam' with a Glock with the beamer

Shawty wanna fuck, wanna swallow up my semen

I just popped a bean, you can call me the Bean Man

Diamonds 'round my neck and you know them hoes is gleamin'

Ice on my wrist, that shit got my hands freezin'

Lil' Autumn!, Benji, TwinUzi's leave you bleedin' (Yeah, yeah)

(It's Autumn! baby)
