

# Bye Bye Bye!

Summrs

Kick her to the curb, told her, "Bye, bye, bye"  
I'm a real nigga, not no lie, lie, lie  
Try me, you gon' be a dead guy, guy, guy  
It's Autumn!, baby  
Ayo, that's Lil Autumn!  
X-XanBaby

Kick her to the curb, told her, "Bye, bye, bye"  
I'm a real nigga, not no lie, lie, lie  
Try me, you gon' be a dead guy, guy, guy  
Niggas always wanna hate, I'm like, "Why, why, why?"  
Hit it from the back, make her cry, cry, cry  
Diamonds on my neck and they bright, bright, bright  
Two bad bitches for the night, night, night  
But I had to kick 'em out, told 'em, "Bye, bye, bye"

Gassed up, shawty, let's get high, high, high  
Off the Xans, I feel like I'm finna die, die, die  
Asian mami with me and she fine, fine, fine  
You could have her back, she ain't mine, mine, mine  
I just want that bag, I just wanna run it up  
Shawty hit me up and she said she wanna fuck  
I probably won't make it 'cause this lean got me stuck  
Even though you got a man, I'ma try my luck  
Pull up in the Mazi', pull up in a Bentley Coupe  
Sippin' on this goop while I'm countin' up my loot  
Shawty wanna come over and see what I do  
Troops with me, nigga, and you know they down to shoot  
Choppa cut a nigga down like a banzai  
She said "Daddy, that's my spot", like I hit the bullseye  
Nigga run up on the gang, leave him with a black eye

Shawty wanna chill, but I'm not that guy  
I might fuck that bitch in some Off-White, white, white  
Put you in Helmut Lang if you actin' right, right, right  
Ayy, I'm sippin' lean with the Sprite, Sprite, Sprite  
Got me fuckin' sleep for the night, night, night  
Baby, what's up with this pipe, pipe, pipe  
Baby, is you gon' let me pipe, pipe, pipe?  
Please let a nigga get you right, right, right  
If you ain't actin' right, then you get left  
Bitch, I did it by myself, I got it off the shelf  
Shawty wanna fuck me 'cause she see expensive wealth  
Shawty wanna see me 'cause it's Gucci on my belt  
It's Lil SummrBang  
Baby girl, stop fuckin' with these lames  
Shawty tryna hang  
She can't hang with the gang

Kick her to the curb, told her, "Bye, bye, bye"  
I'm a real nigga, not no lie, lie, lie  
Try me, you gon' be a dead guy, guy, guy  
Niggas always wanna hate, I'm like, "Why, why, why?"  
Hit it from the back, make her cry, cry, cry  
Diamonds on my neck and they bright, bright, bright  
Two bad bitches for the night, night, night  
But I had to kick 'em out, told 'em, "Bye, bye, bye"

Bye, bye, bye, yeah  
Bye, bye, bye  
Told 'em, "Bye, bye, bye"  
Baby, bye, bye, bye  
Baby, bye, bye, bye  
Bye, bye, bye, bye  
Baby, bye, bye, bye  
Yeah, bye, bye, bye
