Summrs

Yeah, ah
Woah, ah
Woah, woah, woah

I gave you a part of me, you got my soul for you to keep
You got the key, don't leave me gone, don't leave me in the deep
I'm way on the west, you way on the east, you need to come to me
Don't settle for less, I said you the best, you the only one I see
If I said I'd do it, I'd do it for you, I'd get on my knees
You so fuckin' bougie, you ain't used to the Buick, you ride luxury
If you need me now, you could call me up, I ain't that hard to reach
And you feelin' me and I'm feelin' you, it ain't that hard to see
(It ain't that hard to see)

Gotta prove to me you worth this shit 'cause I lost family
My brother crossed me, my nigga crossed me, I ain't wanna believe
And this pain really hurt, I got cut so deep and I know that you could see
And this shit so crazy 'cause I know that that cup killing me
And if you leave me now, I know my fans, they still believe in me
Brenda ain't here now, it hurt me bad, I see her in my dreams
God just take me now, I don't want this shit, my soul for you to keep
If you wanna leave, you can leave me now, don't fuck up my peace
Niggas say they want my head, I don't play, I keep me a piece
(Keep me a piece, yeah, woah, woah, woah, woah)

I gave you a part of me, you got my soul for you to keep
You got the key, don't leave me gone, don't leave me in the deep
I'm way on the west, you way on the east, you need to come to me
Don't settle for less, I said you the best, you the only one I see
