Told a lil' broke bitch, lil' bitch, I'ma die rich  
Told a lil' broke nigga, lil' bitch, I'm gon' die lit  
Told my brother playin' with them sticks, "Change the firing pin"

Met her in Chanel, now this bitch wanna have my baby

You know the motto, lil' bitch, you want a feat, you gotta pay me  
Yeah, put him in the pavement, my brother them going crazy  
Walkin' in his house, walkin' in his crib, then we go and raid shit  
Rockin' with Jamaicans, I'm fuckin' on a bad blasian  
My nigga clutch Dracs and SKs, he going ape shit  
Get on your knees, lil' nasty freak, you gotta taste it  
Two twin Glocks stay on me, let's get it blazing
