Aye, go, go, go, go, go

Know that I wouldn't do you like that  
Know that I wouldn't leave you like that  
Know that baby I got your damn back  
I love you Summrs  
Know that I wouldn't do you like that  
Know that I wouldn't leave you like that  
Baby I got your damn back  
In this shit together, yeah  
Know that I love you girl, yeah  
You got me up in a trance  
On my dick girl you're just like a fan  
That's why I'm fucking with you  
Wouldn't switch up girl I wouldn't dare  
I act like I don't care  
But baby girl you know that I care

you

Baby girl I love you  
I wouldn't put no one above you  
I feel good when it's us two  
Baby hop up in the coupe  
Aye, I'm thinking 'bout you  
If I was broke, girl, what would you do?  
Would you stay or would you turn fuu?  
Aye, yeah lil baby you high, sippin' on this wine  
We ridin' in that Lex, she said she diggin' my swag  
Girl I'm feeling you and I love the way you act  
Eyes feeling real low cause I'm sippin' on this act  
Bitch she on go, yeah you know that she bad  
Can't switch up on you, baby you know that's a fact  
Let's hit the mall and fuck up some sacks
