

## Dont Fold

Summrs

Thrillboy

I just hope you don't fold  
I just hope you don't fold  
If I let you get close  
Baby, look me in my eye  
And just tell me you gon' ride  
Look, you could stay for the night  
'Cause I know what's on your mind

I just hope you don't fold  
I just hope you don't fold  
If I let you get close  
Baby, look me in my eyes  
And just tell me you gon' ride  
'Cause I know what's on your mind

Baby, you one of a kind  
Tryna make you mine  
Baby, because you're fine  
Bought a Birkin bag just for you  
I just hope that you'll give me more of you  
I'm on my grind, yeah, for you  
You stay on my mind, I adore you  
Oh

I just hope you don't fold  
I just hope you don't fold  
If I let you get close  
Baby, look me in my eyes  
Just tell me you gon' ride

You know what's on my mind  
(If I let you get close)  
I just hope you don't fold  
Slayw-  
I just hope you don't fold  
S-S-Slay  
If I let you get close  
Slay-  
Baby, look me in my eye  
Slayworld Soldier  
Just tell me you gon' ride  
Look, you could stay for the night  
Because I know what's on your mind
