

These bitches, they doin' the most
 Love me, I'll love you the most
 He gettin' guap, but I get the most
 Goin' on tour with my bros
 Said she lovin' my flow
 Baby, I'm hot even when it's cold
 Playin' with my life, boy, I'm gambling
 Baby girl, where your manners is?
 Bet you can't even handle this
 Yo nigga, I'm better than
 Smokin' real OG, my preference
 We gon' shoot that boy with no evidence
 I'm lil' Rino, I'm so arrogant
 My pockets so fat, boy, like a elephant
 I'm sniffin' roxys, I'm so elegant
 He is not me, he not my element
 She suckin' my dick so excellent
 Shawty gone off this medicine
 Since I don't got it one me, I'ma step it in
 Lil' Rino, I'ma stay relevant
 Boy, yo wood look like a skeleton
 This gas make me intelligent
 This shit smell so unpleasant
 I'm on Triller dancin, feelin' like I'm Michael Jackson
 And my bitch, she Janet
 I'm with TwinUzis, we jammin'
 I'm wrappin' the wood like a present
 Boy, I'm seein' yo bitch, we ain't textin'
 I'm off a Perc 30, I can't catch it
 Me and Bell watchin' Netflix
 He ain't really gon' shoot, he hesitant
 I want some mud, baby, for my beverage
 And I am nothing like the average
 I'm a heavyweight, I'm a veteran
 Playin' defense, we having coverage
 I'm having withdrawals, bitch, I'm sufferin'
 You ain't gettin' money, don't tell me nothin' then

These bitches, they doin' the most
