

## Feelin Us

Summrs

Go, go, go, go  
Go, go, go, go, go

Anywhere you wanna go, we can make it happen  
They feelin' us, they feelin' us, baby girl, you fantastic  
Yeah, yeah, your love is drastic  
If you was a wood you know that I'd be matchin'  
With you, stay true  
Baby, what you wanna do?  
Told her stop fucking with these fools (Hellworld)  
Smoking on THC, high as a kite  
These niggas, they mini-mes, they ain't livin' right

Ain't rich but I'm finna be, and you know that's right  
Our love is tranquility, don't fuck up my stability  
I need the racks, I need the cheddar cheese  
Kick shit in the big B  
Baby, what's up? Come smoke with me  
He don't want no smoke with me

Ballin' like I'm Ginóbili  
Ain't no nigga cold as me  
And ain't no nigga froze as me  
Baby, do you have hope in me?  
Love it when you holdin' me  
OG, it's in me  
Take you to Fendi  
Gucci all on me  
Baby, what you see in me?  
She wanna ball like penny  
I been so cold, baby, sorry, I'ma hit you in the morning  
I'ma hit you in the morning (Go, go, go)
