

french toast

Summrss

(You wanna go to war? You wanna go to war?)

Yeah, yeah

Yeah, yeah

Yeah, yeah

I'm gettin' so damn high (I'm gettin' so damn high), I can't feel my damn dome (I can't feel my damn dome)

I needed you by me (I needed you by me), 'cause you was my backbone ('Cause you was my backbone)

Lil' nigga, don't try me (Nigga, don't try me), 'cause I keep that damn chrome ('Cause I keep that)

I'm sippin' on damn lean (I'm sippin' on lean), it hurtin' my chromosome (Who do I trust? It hurtin' my chromosome)

Lil' bitch, what you want? (What you want?)

I'm tryna see you, bitch, I'm by yo' home

Bitch, I been that nigga but you been know

I got three bitches, I got two phones

In a Panoramic, I'ma get gone

You a weird nigga like the Flintstones

I had bitches when I had a flip phone

And my belt, all made out of rhinestones

Time to die slow, with a timezone

My bitch wanna know what I'm on

Got a bad bitch and her hair long (Yeah)

I'm a short nigga but my money long (Yeah)

And I got the syrup like a honeycomb (Yeah)

And the G2 blow like a trombone (Yeah)

I came a long way from makin' love songs

Lil' Rino, I'm the one she stuck on

Lil' Rino, I'm the one in her phone

I'm smokin' on oak tree, this ain't no roach

Watch how you approach me, you gon' get soaked

Watch how you approach me, I ain't no joke

I got the Moncler on my coat

And I'm with Lil Goonie, he smokin' on post

Bitch, I need the bread, I need the french toast

I'm gettin' so damn high (I'm gettin' so damn high), I can't feel my damn dome (I can't feel my damn dome)

I needed you by me (I needed you by me), 'cause you was my backbone ('Cause you was my backbone)

Lil' nigga, don't try me (Nigga, don't try me), 'cause I keep that damn chrome ('Cause I keep that)

I'm sippin' on damn lean (I'm sippin' on lean), it hurtin' my chromosome (Who do I trust? It hurtin' my chromosome)

Lil' bitch, what you want? (What you want?)

I'm tryna see you, bitch, I'm by yo' home

Bitch, I been that nigga but you been know

I got three bitches, I got two-
