I'm smoking on tree today  
Gas got me geeked today  
I feel like a G today  
You looking so fleek today  
You looking so fleek today  
Your hair be on fleek today  
Your lips they on fleek today  
Your eyebrows on fleek today  
But I wanna go into you  
Yeah I'm tryna freak today  
You looking so good baby

They say Summrs why you quit school?  
Cause bitch I was too cool  
I was fucking on that bitch Maddie  
And that bitch got ran through  
This a Perky not a Addy  
Bitch I'm feeling cool  
Babygirl send ya addy  
If you want me to come through  
She want everything she see  
This bitch wanna wear my rings  
If it ain't Bella calling  
I'ma let that hoe ring  
I got all this money fucking falling  
I feel like a fucking king  
The G2 in my jeans  
The bitch came with a beam  
(Love you Summrs)
