Summrs

Leesta!

As soon as I left the bank
I just blew a bag on some Helmut Lang
Bitch, get away from me, yeah, you stink
I'm not on the news but I'ma make it rain
Blame it on me, blame it on the drank
Cartier diamonds flyer than a plane
Me and the gang gon' pull up in that four door
Your bitch, she play me but it's cool though
Pockets on fat, yeah, that hoe sumo
Oxy got me on mars like Bruno
Yeah, hop in that Trackhawk, we go to Pluto
Twin XD's, yeah, they duo
I don't fuck with Trueys, I just bought some Ksubi's
Bitch wanna fuck me 'cause I'm rockin' Louis
