Eddie Gianni
Okay, yeah yeah
Gianni
Yeah, Gianni
Let's go!

My niggas on the dark net coppin them drugs and a whole lotta bins
I'm so prada you Wick, boy you finally got you a benz (I love you lil nigga)
We them SlayWorld soldiers, okay, we together till the end
Baby don't worry this Glock ain't real, this shit for pretend
She like "Lil Rino, is you gonna keep me close?" baby it depends
If ain't about the racks, if it ain't about the guap, I won't attend
Watch me do my money dance, go best friend, go best friend
Hit that boy with the FN
Watch that lil nigga descend

My lil nigga Rino just called me, he said that you got the benz
The plug with them hun dons, lil nigga these ain't no tens
Don't fuck with the wrong ones, my niggas they all on ten
This hoe wanna fuck, tell her come to the telly and bring me some friends
This drink got me stuck, all this lean in my belly, can't do this again
Swear me and Rino was really down bad, can't go through that again
Now we in the H, livin' life every day, probably fuckin on twins
Walk in the gala they like "Oh my God, is that Rino with twins?"
The XD gon' really decide how this shit finna end
They ran up too many hun dons, and they think this shit never gonna end
They finna hear this and say "Damn, Wick and Clancy done did it again!" (Ha!)
