

Go, go, go
Go, go

Me and you, we golden
Me and you, we glowin'
I'm with you where ever you goin'
Sippin' lean, I'm pourin'
I love you, you know it
On the time, let me focus
Keep it real, I'm glistenin'

Baby girl, just listen
I need you, I know I ain't trippin'
I swear you won't ever catch me slippin'
I'm smokin' on this gas, I'm just livin'

No one like me baby, I'm still searchin'
No bitch like you baby, they disturbing

Baby girl just chill, know you been workin'

Me and you, we golden
Me and you, we glowin'
I'm with you where ever you goin'
Sippin' lean, I'm pourin'

Keep it real, I'm glistenin'
