Yeah, yeah, woah  
Yeah, Blatt!, Buh buh  
Yeah, woah, Go, go

In a Beam feeling like a racer  
I'm pouring up eights I feel like a Laker  
I'm higher than the Himalayas  
Baby you know I'm a player  
Hoe said I'm dumb I'm a break her  
You know I'm a money chaser  
She wanna eat I'm like heeyuh  
Lil Rino I feel like the mayor  
I'm beating the walls and you ate her  
Hol' up lil' nigga better stop right there  
I got 'bout two bands in the Moncler  
That's my bitch with the pretty long hair  
Finna get the boy gone right there  
In my winter coat feel like a bear  
I'm smoking on woods you can smell it in the air  
Money falling out my pocket I don't even really care  
I walk up in Saks lil' nigga like give me that  
Nigga you ballin' only on your income tax  
She like Rino boy you got hella tats  
Another band just on my neck tats  
You said I'm broke, bet you won't bet that  
I'm in a Rari I'm not in no Hellcat  
Goin' top speed I bet you can't catch that  
Smoking on OG you gotta smell this  
Get away from me boy I'm too rich  
Hop on the beat they like how you this  
Saying two words and left that boy clueless  
on my new bitch  
I'm a loose screw, ruthless
