

## If Ya Wanted 2 Know

Summrs

Ax go crazy

If ya wanted huh  
If ya wanted to know  
If ya wanted to know, you the reason that I go  
Wipe your eyes and your nose  
On codeine movin' slow  
Got racks on the boat, my nigga move boats  
Fuck around get ya ass sold, get ya ass zoed, I never get hoed  
Up in Chanel bought a coat, you smell like roses  
You boost my confidence, you try more than these hoes did  
I wish I could show you it  
You writing me letters up in ya notes  
I hope you know you is the only one that I want  
You ain't got no opponents you don't

You better than all of these trash ass hoes  
That pussy stay fresh like a new bankroll  
You better than all of these tiktok hoes  
You is the reason that I can't go  
My heart get to speedin', baby lower you defense  
It's that time of the season  
On IG you teasin', I'm all on your recent  
Remember when we met, bae you had me on demon  
I remember I , what I'm used too  
Bring you straight to my room, we was off the shrooms lookin' f  
or some' to do  
Baby you wet like a pool, pussy had me like a fool it was deja  
vu  
I ain't have no clue, you was the one for me when I found you

If ya wanted huh  
If ya wanted to know  
If ya wanted to know, you the reason that I go  
Wipe your eyes and your nose  
On codeine movin' slow  
Got racks on the boat, my nigga move boats
