

IKYMMG

Summrs

Call my phone, I know you miss me, girl (Call my phone, I know you miss me, boy)

Call my phone, I know you miss me, girl (Call my phone, I know you miss me, boy)

(What do you desire?)

(Bitch)

I ain't came to play
If you play, then you lay
Everywhere I go, I'm straight
Everywhere in the H
Don't ruin my day
I'ma blow it at your face
Girl, call me, see if I'm straight
What if it's not my day?

Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl

When I'm on the road
Just hit my phone
You won't get the dial tone
Summrs on her ringtone
I'ma hit you back like ping-pong
Was kids, now we all grown
Presidential S-Class, bae, you know what I'm on
Don't ask what's in my cup, I'm in a different time zone
Going through coffee cups, not tryna pick up the phone
I'm not tryna pick up the phone
Get in my feelings, singin' out, "No"

Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl
Call my phone, I know you miss me, girl

(Bitch)
