

Yeah, ha, ha, ha, ha, ha  
Woah, woah, woah, ha, ha, ha

Copped the G43, and I swear that bitch go, "Bang"  
Every time your shit come on, she cuttin' it off 'cause you lame  
It's only one of me, you cannot touch my rank, you just can't  
I'm with all my guys, these niggas ain't in our lane, tuh, mane

I'm a high school dropout, now I'm breaking the bank  
Only hit your ho one time, I lost her name, gang  
We got sticks in this bitch, we ain't slidin' in no Mustang  
We either in a double R truck or the big ass tank  
How you find yourself tryna come up off my name?  
And, I'd never do that shit to you 'cause it's lame, yeah  
Doody just got locked up, man free that boy out the chain  
And I love that nigga to death, he'll catch me a brain  
Nigga bitch cheatin' on him, told my bitch better not do that shit, I'ma lose my shit  
My nigga got a stick, I ain't even gon' say he gon' do that shit  
He gon' shoot that bitch  
Big ass FN bullets, they'll go through the wall, that shit  
Gotta' lot of shit  
I been through, but I stay ten toes down, went through all that shit  
And it's crazy how a nigga came up 'cause I called it  
Big Glock on my side, take precautions  
Filling my cup up with mud 'cause I'm ballin'  
It's so crazy how I made it, I called it  
'Member when I couldn't get up in college  
I'ma still hit his hoe even though she got mileage  
Pray to my cup every night, it's so righteous  
Runnin' from demons, I'm so tired of fightin'  
She must be off of something 'cause she wildin'  
If my brother need it, he know he got it  
On the highway speedin', running up mileage

Copped the G43, and I swear that bitch go, "Bang"  
Every time your shit come on, she cuttin' it off 'cause you lame  
It's only one of me, you cannot touch my rank, you just can't

Woah, woah  
Woah, woah, woah
