

Let Me Know

Summrs

Oh, woah, woah, oh
Let's go

Yeah, you know I'm with it
Let me know if you with it
You know I'm with it
Let me know
Just let me know
Let me know
Let me know
Let me know
Let me know
Let me know
Let me know

Seen you around before
What's your name?
What you like?
What you do on your free time?
Let me know what it takes for you to be mine
Let me know what I need to change for you to decide
Netflix and chill, bitch, you know I'm with it
You kicking shit with them poor ass niggas
Babygirl, let me pour up with you
I'm the realest nigga that you ever met
Take you to Chanel I ain't done yet
Tell me if you having fun yet
Spend a bag on you I ain't done yet

You got your Christian Dior (You got your Christian Dior)
You got your Christian Dior
You got your Christian Dior
You got your Christian Dior
You got your Christian Dior

Yeah, you know I'm with it
Let me know if you with it
You know I'm with it
Let me know
Just let me know
Let me know
Let me know
Let me know
Let me know
Let me know
Let me know
Let me know

I just wanna pour up with you (Pour up with you)
Just wanna know I'm with ya
Look, I don't want to be out the picture
You got your Dior, your Christian
Tired of loving you from a distance
Girl, roll with me
Babe roll a Benz
Could I have the last dance with you?

Thrillboy

I just hope you don't fold
I just hope you don't fold (Yeah)
If I let you get close (Awoah)
Baby, look me in my eyes (Eyes)
And just tell me you gon ride
Look, you could stay for the night (Swear I'ma still look at you the same)
'Cause I know what you want
Slayworld soldier
