Lust!

Summrs

When I'm in town
I need you around, to hold it down
Come home, come, home, girl, you missin' me
I know
We've wasted too many times cryin' and shit
Cryin' and shit, we're better than this, oh yeah
Need you to be strong, oh yeah
'Cause you be that call, yeah, yeah, yeah, yeah
Baby, just have patience, yeah
I'll be here waitin', oh yeah, yeah
