Ayy, she say I'm a demon, bitch, I'm posted up in Hell
Sipping on that lean, bitch, I'm fucking up my health

Ayy, I got this shit all by myself
Ayy, these niggas got me screwed up
Ayy, that's why I can't put my tool up
Ayy, I'm a flashy nigga but I don't fuck with cameras
Pour that dirty lean up in my Fanta
Baby, I ain't got no manners
I'ma fuck her once then I pull the pants up
Glock 24 in my damn pants, yuh
Come through yo chimney like Santa
Ayy, they free me out that jam, yuh
Ayy, but I still don't give a damn, yuh
Ayy, I'm still a little screw
Counting up them hundreds, know they blue
You say you love me but I don't love you
Ayy, she wanna come over, see what I do
Ayy, she say I'm a demon, bitch, I'm posted up in Hell
Sipping on that lean, I don't give a fuck about myself
Ayy, because I'm fucking with my health
Ayy, I did this shit all by myself
Triple six, bitch, you know I'm in Hell
Ayy, I got this shit all by myself
