Summrs

Stuck at the top, me and gang ain't taking no L's
She getting way too agg, I'ma send that hoe to Chanel
Just bought a new season Moncler, you bought a Honda XL
I smell like money, new Armani I'm fly as hell
New check came in, let's go, I'm in YSL with it
Religious bitch sucking dick, hell yeah she a fool with it
If it ain't five-hunnid and up, I ain't even finna fool with it
Hop in the Tesla, let's go, I act like a fool in it
The lil bitch brain so good, yeah she went to school with it
Prada shoes on the Prada bag, it got a tool in it
If you had a tool while gettin' shot at, what would you do with
it
Don't you try no fuck shit with me, I got my crew with me

Diamonds on my wrist, they dancing, look like a water resort
Finna stop juggling these niggas, I'm tired of getting reported
Had to cancel a show last week cause they couldn't afford it
If I hit it once, I ain't hitting again, I gotta abort it
