I got sticks in this bitch, we got drank in this bitch  
Blowin' the house in this bitch, huh  
And I'm hitting this bitch  
She gon' suck my cock, hold up, now I'm fuckin' her friend (Brr)  
In that Benz, we smokin' that shit  
All of this talk about me (Me, me, me)  
I been stackin' up green (Me, me, me, green)  
I been stackin' up cheese (Cheese, cheese, cheese)  
Gotta pay your lease (Lease, lease, lease, lease)  
This bitch took my soul (Woo)  
All my drugs be whole, put trust in my bro  
Lil' bitch, I ain't takin' no loan (Woah)  
I just been stackin' that green, been getting my cheese, just look at my whi  
p (Whip)  
She fuckin' with the team, got her on beans, we need some help  
(Help, help, help, help)

She feelin' nobody else (Huh), pop a blue then we outta here (Here)  
She shakin' her body, yeah (Yeah, yeah)  
(Yeah, yeah, yeah, yeah)  
She done pulled all us down (Yeah)  
She shakin' her body, yeah (Yeah)  
Ain't reppin' nobody else (Else, else, else, else, woah)  
That ass so round in them jeans (Jeans)  
She eating them collared greens (Woah)  
She don't do apologies ('Gies, 'gies, G)  
Ain't nobody stopping me (Me, me, me)  
All these niggas copy me (Me)  
Got racks in my Ksubi jeans (Jean, jean), yeah

All these niggas fool to me (Me)  
They killin' me brutally ('Ly)  
I'm bootin' up usually ('Ly, 'ly, 'ly)  
I got all my poles on me, the police keep watching me (Me, me)  
These niggas be jocking me (Me, me)  
Ain't nobody styling me (Me, me)  
These bitches be watching me (Me, me, me, me)  
Mix the drugs like biology ('Gy)  
Me and her got some chemistry ('Stry)  
Some times she the enemy (Me, me)  
You gotta be kidding me, if you think that you killin' me (Me, huh)

She feelin' nobody else, pop a blue then we outta here (Here)  
She shakin' her body, yeah (Yeah, yeah)
