

Situationships

Summrs

(What do you desire?)

Penelope, oh
I heard you celibate, oh
Diana
I can't stand you
Fantasia
We headed out our lil' phase, yeah
And Deja
You make a nigga wan' hate you
Stacy
I always knew you was a basic
That's why you couldn't be my lady
Chanel, you used to drive me crazy
Wanted me to give you a lil' baby
Baby
Lori, know you adore me
Your little corrupted mind and your logic is not for me
Kori, you so boring
To think I thought you was a foreign
Yeah, I'm snorin'
Kylie, Kylie
You won't find nobody else like me
Ciara
I'm glad that I had left you
And Sara
Had to treat your ass like you the rest of 'em
You not my kind, always find your ass tryna impress someone
Carissa, we wasn't nothing even though we had lil' somethin'
Unless you tryna shit on me, I got this bitch jumpin'
Shaney
I'ma need some flowers at our grave
All these memories that we had, they fade away
Mikaela, had to let you go, you wouldn't behave
Delilah
You did everything that you shy of
Admit it
Had to fuck on your friend named Britney
Britney
You should be ashamed how you livin'
If I had the reputation, you got I would've killed me
