I can feel it in my heart  
I just popped a tab just popped a bar  
That lil' nigga he ain't goin' hard  
That lil' nigga he ain't goin' far  
Me, I'm a take off to mars  
Fuckin' that bitch she got me hard

Aye, look, two styrofoam cups filled up with Wock  
Goin' so hard in the paint I can't stop. aye  
Smoking on the cookie I smell like a pit stop, aye  
I dive up in that shit then I tell her kick rocks, aye  
You know how we rock, but this ain't no kick rock, aye  
In a foreign drop, and I'm sippin' straight drop, aye  
Baby we do this a lot is you coming on the top?  
Baby we do this a lot is you coming to the spot?  
Aye aye, I'm in a Beamer you in a Jeep Wrang, aye  
You just a dreamer, boy you goin' out bad, ye  
Walk up in the mall and I'm poppin' tags  
Momma told me get up and go get that bag, aye  
And go get that bag, aye
