

## That's Out!

Summrs

Oh my God, it's CashBently!  
Yeah  
Ayy, yeah, yeah, ayy  
Summrs, haha!

Gave him two shots, he was talkin' fire  
Nigga, fuck up next, nigga, we up now  
I gave that bitch two Percs, now she knocked out  
We gon' pull up on him, give a fuck 'bout clout  
She wanna be my main bitch, that's out  
Four grams of that cookie, ain't no girl scout  
I'm ballin', no rookie, I ain't need no scout  
That K got a dick, it's gon' push a scalp

Hop up in that Beamer, hop up in that Ghost  
Hop up in that Ghost and fuckin' get ghost  
Baby, let's take a trip to Melrose  
Cash out on shit, say I do the most  
And I'm on the scene like a fuckin' host  
Nigga want some beef, we gon' turn him to some roast  
She don't love me, I know she want my bankroll  
I'm in a two-seat, ain't no fuckin' 'Rango  
I know she see me, but I can't see that lame hoe  
I'm sippin' on that lean and the fuckin' mango  
Baby, shake that ass, I'm tryna catch some angels

Gave him two shots, he was talkin' fire  
Nigga, fuck up next, nigga, we up now  
I gave that bitch two Percs, now she knocked out  
We gon' pull up on him, give a fuck 'bout clout  
She wanna be my main bitch, that's out  
Four grams of that cookie, ain't no girl scout  
I'm ballin', no rookie, I ain't need no scout  
That K got a dick, it's gon' push a scalp
