

# The Talk

Summrs

(What do you desire?)  
Bird business, double B shit  
fuck everything else, fuck everybody  
Brrr  
You'll never be style with us, never  
Hey

Your face is beautiful, body magnificent  
I'm off that schedule too, you take my energy  
(You just take it all, ha)  
(Bird business, shit bigger , yeah)  
Big pointers my dawg, it ain't my shit be changin' the climate  
I'm still on the bottom, 'til the top climbin'  
What about all the kids that I'm out here influencin'?  
Takin' all of these drugs gotta tell they parents that they usin'  
I just tell them to be smart, you can't be out here abusin'  
How the fuck we gon' be lowkey when you out just postin' my music?  
Tell the brother "How does your peace?"  
When the bitch go outside, she be choosin'  
(That's a dime shawty, keep yo' head up though lil' brother)  
I love it when it rain, they don't understand all my pain  
And the greed that I been through  
(Really fucked up my mental state, it got me all night )  
(I'm only human though, come on)  
Gotta have a sit-down wit' my lil' sis  
Fuckin' wit' these clowns, let them break your heart, I'm blow 'em do  
wn  
Yeah, yeah  
Old friends hit me up when I'm in town  
This bitch act like she don't know me, but I know that she do  
You can heal off to my music, all these painkillers that I'm usin'  
Why the hell they don't understand my pain?  
They don't understand my struggle, young nigga really hustle  
Got this shit up out the gutter, got this shit off the muscle  
I don't wanna have no tussle  
I remember Mom and Daddy fuss  
Out late, he was clubbin'  
I took advantage of my Momma, really had her ass strugglin'  
Tryna raise four kids, you know how deep that shit get  
You don't know my story  
(Yeah, you really don't)

227 , where it all started  
Lost all, I'm so dark-hearted  
Wonderin' if I will see forty  
Tryna break through this curse  
They put Brenda in a hearse  
Can't let them put me in the dirt  
The words you really say hurt  
You tried to shit on me first
