

The Wait

Summrs

Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, go, go

Ayy, how would you like to come kick it with me?
What's on your mind? Bae, come feed it to me
This is where I needed to be
With you, yeah, you and me
Us two, would never leave
Each other, we could both agree
Let me show you how shit supposed to be
I love it when you postin' me
I'ma give you the most of me
Baby girl, come close to me
You need a trophy
You changed the old me
Your love is a drug, I'ma OD
You're the only one who really knows me

She my Packrunner bitch, she wanna wear all my shit
Get whatever you like, get whatever you wish
You just my type, you a down-ass bitch
We don't need to be doin' all that
We don't need to be gettin' to this
You supposed to be my bitch, we shouldn't even fuss over this
I love what we got, I'ma buss over this
Put trust into me and I'ma put trust into this
At first you ain't think I was for real, you thought that I was full of shit
I'm waitin' on you to come home
Babe, I'm tired of this shit, yeah
I'm sick of this shit, yeah
I need back my bitch
(Go, go, go, go)
(Go, go, go, go)
