

Tonight

Summrs

Yeah

I had a long ass day
So I poured me a eighth
I'm in the club right now
Crossed, dancing up baby
You got cup after cup
Come pour me tonight
Just don't fall in love

Do some drugs with me tonight
Let's do shrooms tonight
Don't lose me tonight
Don't lose me tonight
You finna have the time of your life
Look at the stars light up the night
I should've never drunk this Sprite
You lookin' too damn good, it ain't right
Somethings on your mind
Something isn't right
I don't think this is right
This shit don't matter
I don't know why we on this
This shit won't matter
Cause we off the shrooms
And this is just for the night
No, something ain't right
Something isn't right
Something isn't
Right

Yeah

I had a long ass day
So I poured me a eighth
I'm in the club right now
I see you dancing up baby
You got cup after cup
You got cup after cup
Cup after cup
Cup after cup
Cup after cup

Cup after cup
Cup after cup baby
Chilling at the club
Cup after cup
Cup after cup
Cup after cup
