Summrs

Say I ain't the nigga who told you this  
Babygirl I thought you been knew this  
Sippin' that lean that good fluid  
He wanna be me but he can't do it  
The gas got me seeing translucent

All I get is dubs I ain't losing  
In a Beamer and I stay cruisin'  
In a Beamer and I stay zoomin'  
I ain't fucking that hoe but I could do it  
Wearing Nike yeah I just do it  
(Ha) What is he wearing he looking so fruitless  
(Ha) What is she doing she looking so stupid  
She calling my phone she know I ain't stupid  
Say she wanna kick it  
Girl I been knew it  
Getting this guap girl got 'em looking so mad  
Walk up in Saks don't look at the tag  
Souljaboy I need a SouljaBrat  
Up in that coupe yeah we up in that Jag  
Notice me when I walk up in Saks  
His pockets low yeah he looking so sad  
Couldn't be me I ain't going out sad  
Sippin' on lean I'm starting to look fat  
I'm chasing the cheese just like I'm a rat  
Can't fuck with him, yeah I know he a rat  
And know I ain't leaving just come to my pad  
Can't take you in public because you too bad  
Can't afford it man that is too bad  
Ex call my phone she miss what we had  
Babygirl well that is too sad  
I'm moving forward yeah I can't look back  
What is you thinking look into my eyes  
I can't even think because I'm too high  
Hop in the Beamer let's go for a ride  
If you ain't sucking dick then you know you can't slide  
Pussy so wet damn near thought I could slide  
Flee as fuck, bitch I'm fresh all the time  
I'm a business man need a suit and tie  
Sippin' lean I might just pollute and die  
I ain't fucking that hoe she a friend of mine  
But I'm fucking on a friend of hers  
Ain't worried bout him, in my bag like a purse

Can't fuck with niggas cause  
I hop on a beat and I just do my verse  
Don't talk to me if you ain't copping a verse  
I'm a hot boy I might just make me some-

Say I ain't the nigga who told you this  
Babygirl I thought you been knew this  
Sippin' that lean that good fluid
