(Woah, go, woah)  
(Woah, go, woah)  
(Woah, woah)  
(Ayy, yeah, go)

We got something unforgettable, special  
Don't give up  
Give you pleasure, I wanna give you my love  
I thought you was the one when we fell in love  
You thought you was the one when we kept in touch  
But, this shit only keep a grudge  
We ain't seeing eye to eye, we gotta adjust  
He better chill out before I fucking blow  
Off of the drugs and they taking my soul  
I fucked you my love, so don't crush my soul  
These Xans' got me going out of control (Yeah)  
I know you love me and I know you know  
I love you too, but I'm finna let go  
You putting too much stress over my damn soul  
I chose the drugs, I'm going down that road  
These niggas plot on me, I keep a damn pole  
He sipping champagne and I'm pouring a four  
He think that he gang but he really a foe  
Snakes in the grass, only reason I mow  
Scar on my wrist 'cause my soul is so cold  
Don't want you no more, lil' girl, please leave me, lone
