

## Ups N Downs

Summrs

Baby, baby  
Drive me crazy  
Every day  
(Love you, Summrs)  
Go, go, go, go  
Go, go, go, go  
Go, go, go, go, go

This past week I had with you  
Shit made me happy  
We had our ups and downs  
I understand it ain't gon' be happy all the time  
Can't get you out of my mind (Hellworld)  
You wanna go on a date, baby girl, that's fine  
Do you understand what I'm sayin'? I ain't wasting your time  
Nah, I can't do that, I can't do you like that  
makin' all these tracks  
Got me all in my feelings, baby, we the perfect match

Lil Summrs, what's this? Lil Summrs, what's that?  
You liking her pictures, you like what you see  
But baby girl, in reality you don't know how much you mean to me  
Baby girl, you got the key, the key to my heart  
You say you wanna leave this place, you say you wanna live large  
You say you wanna leave this place, baby, we can go far  
Go far in this car, kick shit in the stars  
We can even play the guitar, I don't even know how  
But if it's with you, you know that I'm down  
Always wanna see you smile, never wanna see you down  
Never wanna see you frown, let's take a walk around the town  
Because when I'm with you, everything we do is fun  
You brighten my day like the sun, who's better? Girl, there's no one
