

(Evil)

Yeah

Yeah, aye, yeah

You ain't want me back then, now you want me now  
I just got some racks, I might flip it to a thou'  
Pull up in that coupe, bought a coupe just like wow  
Smokin' 93, and it got me in the clouds  
This bitch on too much, I'ma kick this ho out  
You ain't smokin' gas, boy you smokin' Black & Mild

Pull up to the mall, all the bitches goin' wild  
If you want a verse, nigga pay me right now  
Its lil' Summrbandz, ain't no fuckin' Bow Wow  
Put a red beam on his nose like a clown  
These niggas talk to much, man its finna go down  
Eyes up, on a .30, it won't even make a sound

.223 go to work, nigga I be off the percs  
Geeked like a nerd, and I fly just like a bird  
If you need them xans, baby tell me what's the word  
All my niggas pull up and shoot shit just like the purge

You ain't want me back then, now you want me now  
I just got some racks, I might flip it to a thou'  
Pull up in that coupe, bought a coupe just like wow  
Smokin' 93, and it got me in the clouds  
This bitch on too much, I'ma kick this ho out  
You ain't smokin' gas, boy you smokin' Black & Mild
