

Fuck it, I cookie cream  
Rolling off a bean  
got the bean, like who you supposed to be?  
Rolling off the xan, I'm not supposed to be  
I'm mixing up those drugs, yeah, like chemistry, ay  
She like, "Where you at?", I'm home  
She wanna come over, give me the dome

You still call up my phone, 'cause baby, I'm gone  
I'm smoking on this gas, fucking up the ozone  
I don't fuck with niggas, 'cause they be so  
She kissing my neck, she love my Gucci cologne  
I'm tatted on my neck, I feel like Post Malone  
You say got the drugs, lil bro, come on  
I'm smoking on this kush,  
I ran the racks, I don't know what y'all on  
Lil baby, I'm stoned  
I'm a dog and I don't even got a bone

Baby girl, I'm in my zone  
In my zone, in my zone  
In my zone, in my zone  
In my zone, in my zone

Baby girl, I'm in my zone  
She wanna get dogged, wanna come up to my home  
'Cause I'm in my zone, I'm on fucking drugs  
In my zone, baby girl, I'm so gone  
She love my gucci cologne, ay

In my zone, in my zone  
In my zone, in my zone  
In my zone, yeah, in my zone  
In my zone, in my zone

Fuck it, I cookie cream  
Rolling off a bean  
got the bean, like who you supposed to be?  
Rolling off the xan, I'm not supposed to be  
I'm mixing up those drugs, yeah, like chemistry, ay  
She like, "Where you at? ", I'm home  
She wanna come over, give me the dome
