

## Rivalry

Sumo Cyco

Won't find me  
Won't find me  
Won't find me  
Won't find me  
Won't find me in the backyard  
Won't find me in the shed  
Won't find me in the garage  
Won't find me under a bridge  
Won't find me in a burning car  
Hundred miles out my head  
Won't find me  
Can't find me  
You won't find me 'til I'm dead

(ANGRY!) You can count on me  
(ANGRY!) You can count on me  
(ANGRY!) You can count on me

This war that rages in my mind  
Worn out its novelty  
Send shivers down my spine  
Step to the firing line  
This is a rivalry

Won't find me  
Won't find me  
Won't find me in the forest  
At the bottom of a lake  
Won't find me in the bathtub  
Guaranteed I will escape  
Won't find me in a ravine  
With a body that is full of snakes  
Won't find me  
Can't find me  
Never find me 'til I break

(ANGRY!) You can count on me  
(ANGRY!) You can count on me  
(ANGRY!) You can count on me

This war that rages in my mind  
Worn out it's novelty  
Send shivers down my spine  
Step to the firing line  
This is a rivalry

This is a rivalry  
This is a rivalry  
Won't find me  
Can't find me  
This is a rivalry  
Won't find  
Won't find  
Won't find

Every day becomes a new battle  
Every step I take with legs shackled

Kinda got me rattled  
Never bit into the poison apple  
Every day's another feat to tackle  
Gotta get back on the saddle  
Up the lake without a paddle  
Trying to act like the king of the castle  
But inside I'm feeling really fragile  
Maybe all of this is something I can never handle  
I'm exasperated!  
Listen to my cyco babble!

BABA BA BABA BA BA BA BA HA!  
My mind is fighting white noise and lightning  
BABA BA BABA BA BA BA BA HA!  
My ears are bleeding taking a beating  
BABA BA BABA BA BA BA BA HA!
