

# Good Morning My Love

Sun Kil Moon

I woke up and I said to my love, "Good morning"  
I looked at the phone, there was a message about the Johnny Tapia movie  
Then I went to my bank and I transferred money to cover my taxes  
I'm still thinking of the documentary we watched last night, The Road to Las Vegas  
And the replay of the Floyd "Money" Mayweather/Oscar de la Hoya fight  
But it was a line from "The Road to Las Vegas" that played over and over in my head all night

What does 'rekindle' mean?  
What does 'rekindle' mean?

I met a 19-year-old girl on the curb who said she's passionate about social injustices and femininity  
She asked me what I cared about  
I said my family, my friends, and my dentist who just had an aneurysm  
And I love making music, making people laugh, and making sure that my band gets paid  
And on the very bright side I think I love gulf coast oysters and crawfish and springtime in New Orleans  
Every day I walk and I see men and women walking together in harmony  
Every day I walk, I see people walking together in harmony  
At the Mayweather/Pacquiao fight, I saw men and women enjoying the night together in harmony  
And on my flight home, I saw men and women sitting together in harmony  
But the film "Road to Las Vegas", there was a broken harmony  
When Johnny Tapia lived la vida loca life, there was a broken harmony

What does 'rekindle' mean?  
What does 'rekindle' mean?  
What does 'rekindle' mean?  
What does 'rekindle' mean?

Today someone cussed at me about wanting a rare copy vinyl  
If you're gonna reach out, please be original and ask me something that makes me smile  
That's fantastic that you're passionate about cardboard and listening to music on multi-colored plastic  
You're a collector of rare vinyl, a total fanatic, that's completely absolutely hip, motherfucking fantastic  
But I'm more concerned with how I feel

What does 'rekindle' mean?  
What does 'rekindle' mean?  
What does 'rekindle' mean?  
That line in my head, it just keeps going in a ring  
What does 'rekindle' mean?  
What does 'rekindle' mean?

Remember the cockiness and the brashness and the elusiveness of the Prince Naseem  
Its cat-like instincts and that thunderous scale pump struck like lightning  
His walk couldn't be touched, like it was weighing my car  
One Halloween, one Marco Antonio Barrera torn to pieces by the strange currents that intervened  
The Prince derailed like nothing anyone had ever expected to see  
I swear to god he could have been the next lightweight southpaw, the Yemeni

version of Mohammed Ali  
But that's the Prince now

What does 'rekindle' mean?  
What does 'rekindle' mean?

And I'm flying to New Orleans  
When I wake up in the morning  
I'm gonna walk to the bank of the Mississippi River  
Look at the bridge that crosses over the city of Algiers  
I'm gonna eat a candy apple with my girl  
I haven't been with Zero for years cause we can't see  
When I get down to the city of New Orleans  
I know there's gonna be lightning stormin'  
And water gushing down through the street  
And the Sun's gonna come out and shine  
Down on the rocks  
I'm gonna walk down to Pirates alley quarter  
And I know we're gonna see men, women, fiddles, guitars together in harmony  
Gonna see men, women, and children visit together in harmony
