

Symbols of Joy & Eternity

Sundara Karma

What if death was a symbol of life?
It reflects all sides
Celebration of the passing world
Always here, always gone
Would you wake up at quarter to six?
Drag your ass to the gym
Work late on a Friday night
Ever searching far and wide
To find a reason why you earn half what he does

Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)

How could I become a better man?
To be the best I can
So entitled in the way I think
But then again, I'm always right
Keeping busy with daytime TV
And top ten hottest in magazines

Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)

You are holy
You are the Lord
You are holy
You are the Lord
You are holy
You are the Lord
You are holy
You are the Lord

Final judgement, take action before it's too late
Make your mother proud in decisions you make
But heed walking, tread careful or the eggshells will break
You'll get more and more bitter with each breath you take
Final judgement, take action before it's too late
Make your mother proud in decisions you make
But heed walking, tread careful or the eggshells will break
You'll get more and more bitter with each breath you take

Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)
Symbols of joy and eternity
(Coming up to meet him again)
