Come On

Sunflower Bean

Right now I'm on the edge of my seat
Don't know what it means to me
I only know I'm going too fast
Yes I, I'm on the edge of my seat
Yes I, I'm on the edge of my seat

I only know I'm going too fast
See the lights change across the way
How can you be, for it's not the same
Today
Right now
Right now
Right now
Right now

Right now I'm on the edge of my seat
I know what it means to me
I know that I need to go faster
Yes Sir, this is my chance to be
Yes Sir, this is my chance to be

I know that I need to go faster
See the lights change across the way
How can you be, for it's not the same
Today
Right now
Right now
Right now
Right now

Hey now, I'm on the edge of my feet
And I can't say I thought you'd be but
I always thought you're on my own
Right now, I'm on the edge of my feet and I
Hey now, I'm one the edge of my feet
I always got there on my own
Now come on
Come on
Now come on
Come on
Now come on
Come on
Come on
Right now
Right now
Right now
Right now
Right now
